## Oceania Cruise — Brazil, Uruguay, and Argentina

Uncover the cultural and historical riches of South America’s east coast while cruising aboard the luxurious and intimate 684-passenger Oceania Cruises’ *Insignia*. Be swept away by the exquisite cuisine inspired by world-renowned chef Jacques Pépin. Enjoy upscale amenities, a country-club atmosphere, and an exceptionally attentive staff. From the comfort of your lavishly-appointed stateroom, travel where pulsating rhythms, natural beauty, and colorful traditions thrive along the coasts of Brazil, Uruguay, and Argentina. Depart from Rio de Janeiro, whose stunning harbor is marked by the iconic Sugarloaf Mountain. Continue on to some of Brazil’s most captivating ports of call including Búzios, Ilha Grande, Paraty, São Paulo, and Itajaí. Discover sparkling beaches, exotic wildlife, botanical gardens, and colonial Portuguese architecture. Cruise the Atlantic southward to Uruguay with stops in Punta del Este — a chic beach resort sprinkled with museums — and Montevideo, a cosmopolitan city filled with parks and vineyards. Conclude your sea-swept adventure in Buenos Aires — known as the “Paris of South America,” — an unforgettable city that is the birthplace of the tango and home to a wealth of architecture.
