Land of a Lost Civilization

Alumni Campus Abroad in Peru — featuring an overnight stay in Machu Picchu and Lake Titicaca

Nestled in the misty Andes Mountains, Peru is a rugged, storied land where vast Incan civilizations once flourished and Spanish conquistadors ruled. Enjoy cosmopolitan and colonial Lima, including its historic Plaza Mayor, Presidential Palace, landmark Cathedral, City Hall, and prestigious Museum of Archaeology, Anthropology, and History of Peru. From Cusco — the former capital and holy city of the Incan empire — visit the Coricancha and Sacsayhuamán temples, the ruins of Tambomachay, and Puka Pukara fortress. Journey to the Ollantaytambo fortress, where giant monoliths crown a grand staircase. Then move on to the traditional Andean Indian district of Chinchero, where you'll find colorful local markets. Enjoy a spectacular rail journey from Cusco to the beautiful Puno region on the shore of Lake Titicaca. Marvel at the ruins in mesmerizing Machu Picchu. Cruise on scenic Lake Titicaca to the Los Uros floating islands and Isla Taquile for a truly unique experience. Join us on this exploration of history and culture for a travel experience you will never forget!
