## Fragrance and Flavors of Burgundy and Provence

Cruise the Rhône and Saône from Paris to Arles

Hosted by J.A. Jance

Begin your journey in charming, romantic, Paris, and see Notre Dame Cathedral, the Louvre, and the Eiffel Tower. Then, board the magnificent *Avalon Scenery* in Chalon-sur-Saône for a seven-night cruise to Arles. As you leisurely float by the legendary vineyards along the Saône and Rhône Rivers, a distinguished wine authority will describe how various grape varieties are cultivated, and teach you what to look for in a good wine. In Beaune, see Van der Weyden's famed painting, the Last Judgment, and visit a wine cave. On board, enjoy a Beaujolais wine tasting, a food and wine pairing gala dinner, and a scrumptious wine and chocolate tasting. Sail to Tournus, Mâcon, and Lyon, where you'll see Roman ruins and Renaissance architecture. Spend time sightseeing in Tournon and Tain l'Hermitage, Viviers, and Avignon — the center of the Catholic Church in the 14th century. Continue to Arles, where you'll see the Roman Amphitheater and remains of the Gallo-Roman burial road. Transfer to Nice, where your journey ends with an exciting evening excursion to Monte Carlo. It's an adventure Bacchus himself would enjoy!
