The Divine Coast and the Isle of Dreams

Alumni Campus Abroad — Amalfi, Italy

Delight in the scenic grandeur of the Amalfi Coast, nicknamed the Divine Coast, with its varied architecture and amazing vertical landscape. Travel the serpentine Amalfi Drive, winding around towering cliffs and sandy coves and past charming villages, brightly colored villas, and cascading flower gardens. During your stay in the seaside resort of Amalfi, venture to the town of Ravello, and see the

spectacular 13th-century Villa Rufolo and the dramatic cliffs of Positano — Italy's most vertical town. Explore the cliff-top village of Sorrento, overlooking the Bay of Naples. Discover the fabled ruins of Herculaneum and Pompeii — an epoch suspended in time. See the Temples of Hera and Athena at Paestum, and immerse

yourself in the extraordinary beauty and classical antiquity of Capri, the Isle of Dreams.
