Scrolls, Stars, and Crescents Israel and Jordan Grand Journey

For centuries, Israel has been a focal point for three of the world's major religions. This tiny nation, approximately the size of New Jersey, is replete with historic and spiritual milestones. Admire the architectural beauty of Tel Aviv. Explore Roman ruins at Caesarea and the well-preserved Crusader fort at Acre. Walk along the storied shores of the Sea of Galilee, and learn about the struggle for settlement near the contested Golan Heights. Stroll the winding lanes of Jerusalem. Descend into the spectacular Jordan Valley and marvel at the Dead Sea — the lowest dry-land point on earth — and the fortress of Masada. Continue to

Amman, Jordan — your gateway to the well-preserved Roman architecture of Jerash. Then visit the rose-red city of Petra, see splendid artwork in Madaba, and enjoy majestic Mount Nebo. Join us on this truly amazing program for an experience you will always remember.
