

UA Class of '59 Golden Reunion

Class Gift Campaign

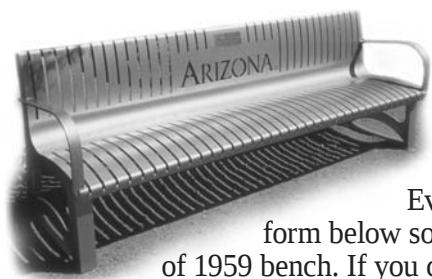

50-Year Reunion at Homecoming
on The University of Arizona campus
November 5-8, 2009

The tradition of presenting a reunion class gift to the UA Alumni Association began in the mid-'70s. The Class of 1959 would like to continue this important tradition. Our 1959 class gift will last forever, as the funds raised will go toward the Alumni Association endowment, which will continue in perpetuity to ensure that the Alumni Association continues building lifelong relationships that support our alma mater.

The Association's programs are the building-blocks for the maintenance of a Wildcat for Life connection and include: the award-winning *Alumnus* magazine, scholarship development and programs (more than \$700,000 in scholarship monies was awarded in 2008-2009), student recruitment and retention programs, career and personal networking opportunities, legislative advocacy, and educational group travel, to name a few.

Help us reach \$10,000 so we may celebrate with a class bench at Old Main!

All gifts are fully tax deductible. Once our gift reaches \$10,000, the Alumni Association will commemorate this milestone with a class bench near the west side of Old Main. The bench will be a beautiful sage green color to honor the original UA colors of sage green and silver and will forever bear the Class of 1959 name. We do hope, of course, that we will be able to raise more than \$10,000, but this gives us a preliminary goal!

We hope you will join the Class of 1959 reunion committee in donating generously to the class gift so that we can leave a lasting legacy at our beloved UA!

Even if you can't make it to the reunion, please designate your gift on the class-gift form below so that we may quickly reach the \$10,000 mark and commemorate it with the Class of 1959 bench. If you can help telephone your fellow classmates to raise funds for the class gift, want to make a gift by telephone, or have any questions, please contact Lori Crouch at the UA Alumni Association (contact information below).
